

Less Government

- Repeal Obama Care
- Cut spending
- Reform entitlement programs: Social Security, Medicare, Medicaid, etc.
- Strong Social Policy – defund federally paid abortions; pro 2nd Amendment
- Reform Congress: term limits; 28th amendment – all enacted laws apply equally to congress and citizens

Reform Tax Code

- Reduce taxes
- Simplify the tax code: replace federal tax system with a consumption tax (The Fair Tax)

Promote capitalism

- Free up the economy to promote job growth
- Free up the energy economy: lift moratoriums on U.S. energy resources – oil, coal and nuclear
- Revise/repeal legislation/regulations hindering free market economic growth

National Security

- Bolster National Defense Systems: missile and counter terrorism
- Enact a comprehensive immigration policy
- Establish a clear, strong foreign policy
- Return states rights to the states
